in the linked file

While filling up certain vacancies in the grade of Surgeons in the Medical Department, Government directed in their Order No. L. 4848-Med.7-23-21 dated 28th December 1923 that one of the vacancies in that grade may be kept vacant and that the question of making a selection for the place between Mr. N. S. Nanjundiah and Mr. B. Krishnamurthy Rao may be taken up after the latter had been in charge of the Medical Stores for six months. The reason for this order was explained in my Final Note of the 8th November 1923.

M
C in do

The Senior Surgeon states that as Mr. Krishnamurthi Rao has now been in charge of the Medical Stores where his work is more administrative than professional, there is no common ground for comparing his work with that of Mr. Nanjundiah. He further states that as Government have already ordered that the relative position of these two officers cannot be disturbed except on grounds of professional merit and as professionally both must be put on the same level, there is no purpose served in waiting for six months to fill up the vacancy in the Surgeons' grade. He accordingly recommends sanction to the promotions as noted below in the vacancy of Surgeon VI Class from 1st October 1923 to 6th December 1923, and in the vacancy caused by the grant of three months' privilege leave to Mr. G. S. David, Surgeon, III Class, from 3rd January 1924:-

7.Mr.N.Bhavanisankara Rao	To be appointed	Asst. Surgeon II Grade tempy.	Vice No. 6

Regarding the appointment of the last named person, viz., Mr. N. Bhavanisankara Rao, the Senior Surgeon states that it is necessitated by the absence of men of ability among Medical Graduates for filling up the vacancy in the Assistant Surgeon's grade and that the candidate proposed, with his distinguished College career and his excellent record in the Madras Service, is sure to be of much use in connection with the Medical School and the proposed Medical College.

When the papers were submitted to me, I recorded the following minute:- X

Pages 6 x 7 of Office Notes

"The Senior Surgeon recommends Mr.Krishnamurthi for promotion to Surgeon's grade in preference to Mr. N. S.Nunjundiah. He says that as the two officers are working in different spheres, a comparison between their work cannot be instituted. He thinks that Mr.Krishnamurthi is good enough for the work he has been doing in the Stores. His recommendation may be approved.

The Senior Surgeon recommends the appointment of Mr.N.Bhavani-Shankara Rao as Assistant Surgeon, 2nd Grade (temporary), in preference to several Medical Graduates who are now working in the Department. Mr.Bhavanisankar Rao has had a brilliant academic career and has had

some experience of hospital working. No objection can be taken to the recommendation of the Senior Surgeon on this score. But Mr. Bhavanisankara Rao is not a Mysorean. He is a Mangalore Brahmin and has some relations at Bangalore. The Senior Surgeon says that the Mysore candidates are of average capacity and that the Department is in need of capable men who can be trained for higher duties. Under these circumstances, the recommendation of the Senior Surgeon may be approved.

The other seriatim promotions are in the order of seniority and may also be approved"

The Dewan and the Second Member have agreed with me in regard to the acceptance of the Senior Surgeon's proposals.

The proposals may be graciously approved.

No. S.C.261 Ad-2.

From

Dr. H. B. Mylvaganam, F.R.C.S:,(Eng.),
Senior Surgeon with the Government of
H. H. the Maharaja of Mysore,
Bangalore.

To

B. Nagappa, Esq., Bar-at-law,
Secretary to the Government of H.H.
the Maharaja of Mysore, Local &
Legislative Departts., Bangalore.

Sir,

Adverting to your office Memo No.L. 4848/Med. 7-23-22, dated 28th December 1923, directing, among other things, that the officiating vacancy in the VI Class of Surgeons with effect from the 1st October 1923, be kept vacant, the question of selection between Mr. B. Krishnamurthi Rao and Mr. N. S. Nanjundiah for promotion to the Surgeon's Grade being taken up six months after the former shall have been in charge of the Medical Stores, I have the honour to state as follows:-

This decision of Government appears to have been due to the recommendation made by Dr. Usmon, as Ag. Senior Surgeon, in his letter No. 24 dated 1st October 1923, in favor of Mr. N. S. Nanjundiah, for reasons therein set forth, being not in conformity with my own opinion regarding the professi capacity and merit of that officer for promotion to the Surg Grade, expressed in my letter (D.O.) No. G. C. 254-3, dated, March 1923. Reading carefully the so called recommendation by the Superintendent of the Minto Ophthalmic Hospital, refer to in Dr. Usmon's letter dated 1st October 1923, I find tha recommendation was made chiefly for the reason that Mr. B. Narayana Rao desired to avoid, if possible, the cause for "a responsible officer (in his institution) to nurse a cont ous grievance" to the detriment of the efficiency of the

institution, rather than from any moral conviction of Mr. Nanjundiah's efficiency and merit for promotion to the higher grade in supersession to his senior Mr. B. Krishna Murthy Rao. My own recommendation in favour of Mr. N.S. Nanjundiah made in my letter No. G.C. 349: dated 10th July 1922, was mainly based on the fact that Mr. Nanjundiah had actually joined the service two years before Mr. Krishna Murthi Rao and had practically been made to lose the benefit of that service when the seniority of certain officers was decided in 1912. When, however, in D.O. letter No.6260-Med. 4-22. dated 12th March 1923, my opinion was asked if Mr. Nanjundiah was entitled to promotion to a Surgeoncy - on his own merits, I could not state that he was professionally in any way superior to Mr. B. Krishnamurthi Rao. I still hold to my opinion that judging by professional capacity, Messrs. Krishnamurthi Rao and Nanjundiah must be put on the same level, and since Government have finally decided that the relative position of these two officers in the list cannot be disturbed except on grounds of professional merits there seems to be no purpose served in waiting for six months for filling up the existing temporary vacancy in the Surgeon's Grade.

E

D

One of the requests of Mr. Krishnamurthi Rao urged in his Memorial submitted to Government, was that if his supersession by his juniors was on account of his deficiency in Surgical capacity, he might be given opportunities to show the same by being posted to the Victoria or Krishnarajendra Hospital. But circumstances necessitated his being posted to the charge of the Medical Stores where his work is more - administrative and of a business nature. In the absence of common ground for comparing Mr. Krishnamurthi's work in the Stores with that of Mr. Nanjundiah as District Medical Officer, Kolar District. (as recently ordered) it will rather be as difficult to come to a decision regarding the relative merits of these two officers six months hence as it is now.

H

4| The supersession of these two officers was recommended by me on the ground that there were two junior officers really superior to them in professional capacity and deserving promotion to the higher grade. At present there is none among officers junior to Mr. Nanjundiah deserving promotion. And, as I said above, there can be no question of Mr. Nanjundiah proving professionally superior to Mr. Krishnamurthi Rao. A postponement of the question for six months will only result in the arrears of increments due during the current year being made a burden on the next year's budget contrary to the spirit of the recent Government Order No. G. 9505-55 G. M.121-23-7, dated 11th December 1923. Under these circumstances it seems desirable to fill up the vacancy now and that the question need not be put off for six months. I therefore recommend the promotion of Mr. B. Krishnamurthi Rao to the Officiating vacancy referred to in the Government Notification No. L.4847 Med. 7-23-21, dated 28th December 1923. This vacancy lasted from 1st October 1923 till 6th December 1923 on which date (afternoon) I joined duty from furlough and the whole series of officiating promotions referred to in items 12 to 14 of the said notification automatically ceased.

5 The grant of three months' privilege leave to Mr. G. S. David in Notification No. L.2874 Med. 22-23-10, dated 25t October 1923, leaves an acting vacancy in the 3rd class of Surgeons with effect from the 3rd January 1924, on which he availed himself of the same. I recommend acting promotions to the several officers in the department in the order in which they now stand in the list, with effect from the 3rd January 1924.

This leaves an officiating vacancy in the grade of second class Assistant Surgeons, which ought, in the usual course, to go to the Senior or any other competent Medical Graduate in the service. I regret, however, to find that Dr. Usmon in his letter No. G. C. 319-2 dated 22nd May 1923

21

and again in his letter No. 24. dated 1st October 1923, had clearly stated that "none of them has even earned his confirmation" and that they are far less deserving of promotion to the Assistant Surgeon's Grade. I quite agree with him in this opinion. Even the two who hold the M. B., B. S., Degree of Bombay are very ordinary in their professional capacity. The rest having joined the Medical College to qualify for the MB.BS.. Degree were able to come out only with the lower degree of L.M. S. and that too, in some cases after a career of 8 to ten years! The recruitment to the department in recent years has brought in mediocres from whom it is not possible to make a selection for filling up a vacancy in the Assistant Surgeon's Grade. I therefore beg leave to make a selection from among the registered applications in this Office.

Of the applicants I find one Mr. N. Bhavanisankara Rao who is an M.B., B. S., of the Madras University and whose educational career is briefly noted in the margin, as likely to prove the best suited for our service, and sure to do well in any line of work in the Department.

1915. Intermediate I Class, with distinction in Chemistry & mathematics
1916. I- M.B.,B.S., 1st honors in Anatomy.
1917. II-M.B.B.S. Do. Do. & Physiology. appointed Senior Prosector in Anatomy.
1918. III-M.B., B.S., 1st honours in Pathology, Won the George Smyth prize in Pathology in open competition.
1919. Part I of Final M.B. B.S., Won the Chipperfield Gold Medal in Surgery in open competition.
1920. Part II and qualified for the degree, standing 2nd for the Presidency.

The College authorities, in recognition of his merits took him as Assistant in Biology and Medical Jurisprudence for the College and as Clinical Assistant

Assistant in the General Hospital, in which capacities he served for nearly 2½ years, till the end of September 1922, as a tempora ry Assistant Surgeon, on which date the appointment ceased on account of the return of permanent officers of the department from the Field Service. He then served as House Surgeon in the Government Materni Madras, for six months, till the end of April 1923. Copies of his certificates, herewith submitted speak as to the way he conducted his duties there. From the above record of this young man's College career and his temporary service and from the fact that he was actually offered a temporary commission in December last, I have no hesitation in saying that he is sure to bring credit to himself and to his employers. He is sure to be of much use in connection with the Medical School and the proposed Medical College if his employment is kindly sanctioned by Government, overlooking the fact that he is not a Mysorean. He is only 27 years of age and Kannada was his second language in his public examinations. In view of his excellent record in the Madras Service, I strongly recommend his entertainment as a temporary Assistant Surgeon Second Grade in the present temporary arrangements, to stand his chance of confirmation along with the officers now acting in that grade, viz., Messrs. K. M. Huli Rao and V.L. Phadke, to both of whom, it must be noted. he is Senior in College,having passed out in 1920. As I said above, the department has been, in recent years filled with men of very ordinary capacity, and in the interests of the efficiency of the department, the entertainment of a young man of the professional merits of Mr. Bhavani Sankara Rao as an Assistant Surgeon seems justifiable, as an occasional and necessary deviation from the recognised mamool. There is the additional justification in this case that none of the Medical Graduates now in service is deserving of promotion to the higher grade.

I request very early sanction to the several acting promotions and appointment specified in the attached statement.

I have the honour to be,
S i r,
Your most obedient servant,

Senior Surgeon.

CERTIFICATE.

"Dr. N. Bhavani Shankar, M.B., B.S., was my Assistant in Biology for one year. He is a very capable young man, keen on his work and gave me a lot of satisfaction in the way he attended to his duties. Biology is not a subject that attracts many in the medical service in India, as it is not a luctrative subject; but Dr. Shankar showed great ability and earnestness in his studies. He is also a very agreeable man to work with and I can confidently recommend him for a billet requiring MERIT and HARD WORK. He is at present anxious to obtain a temporary commission in the Indian Medical Service and I have much pleasure and confidence in recommending him for a temporary commission.
